*We came together and
lived our way through four years.*

A black and white photograph of a rock face covered in numerous hand-drawn sketches and names. The names are mostly in capital letters and appear to be written in a simple, blocky font. Some names are clearly legible, such as "VICKY" at the bottom left, "MIKE" in the center, and "BETTY" at the top right. The sketches include various figures, some of which look like stylized human forms or animals. The rock surface is uneven and textured, with the drawings etched into it.

A black and white photograph of a person sitting on a rocky riverbank. The person is seen from behind, looking down at the water. The river is surrounded by dense trees and bushes, creating a secluded and natural setting. The water appears to be flowing over rocks, creating small rapids or eddies. The overall mood is peaceful and contemplative.

*We conquered many of our
problems, our petty differences and
some of our inhibitions.*

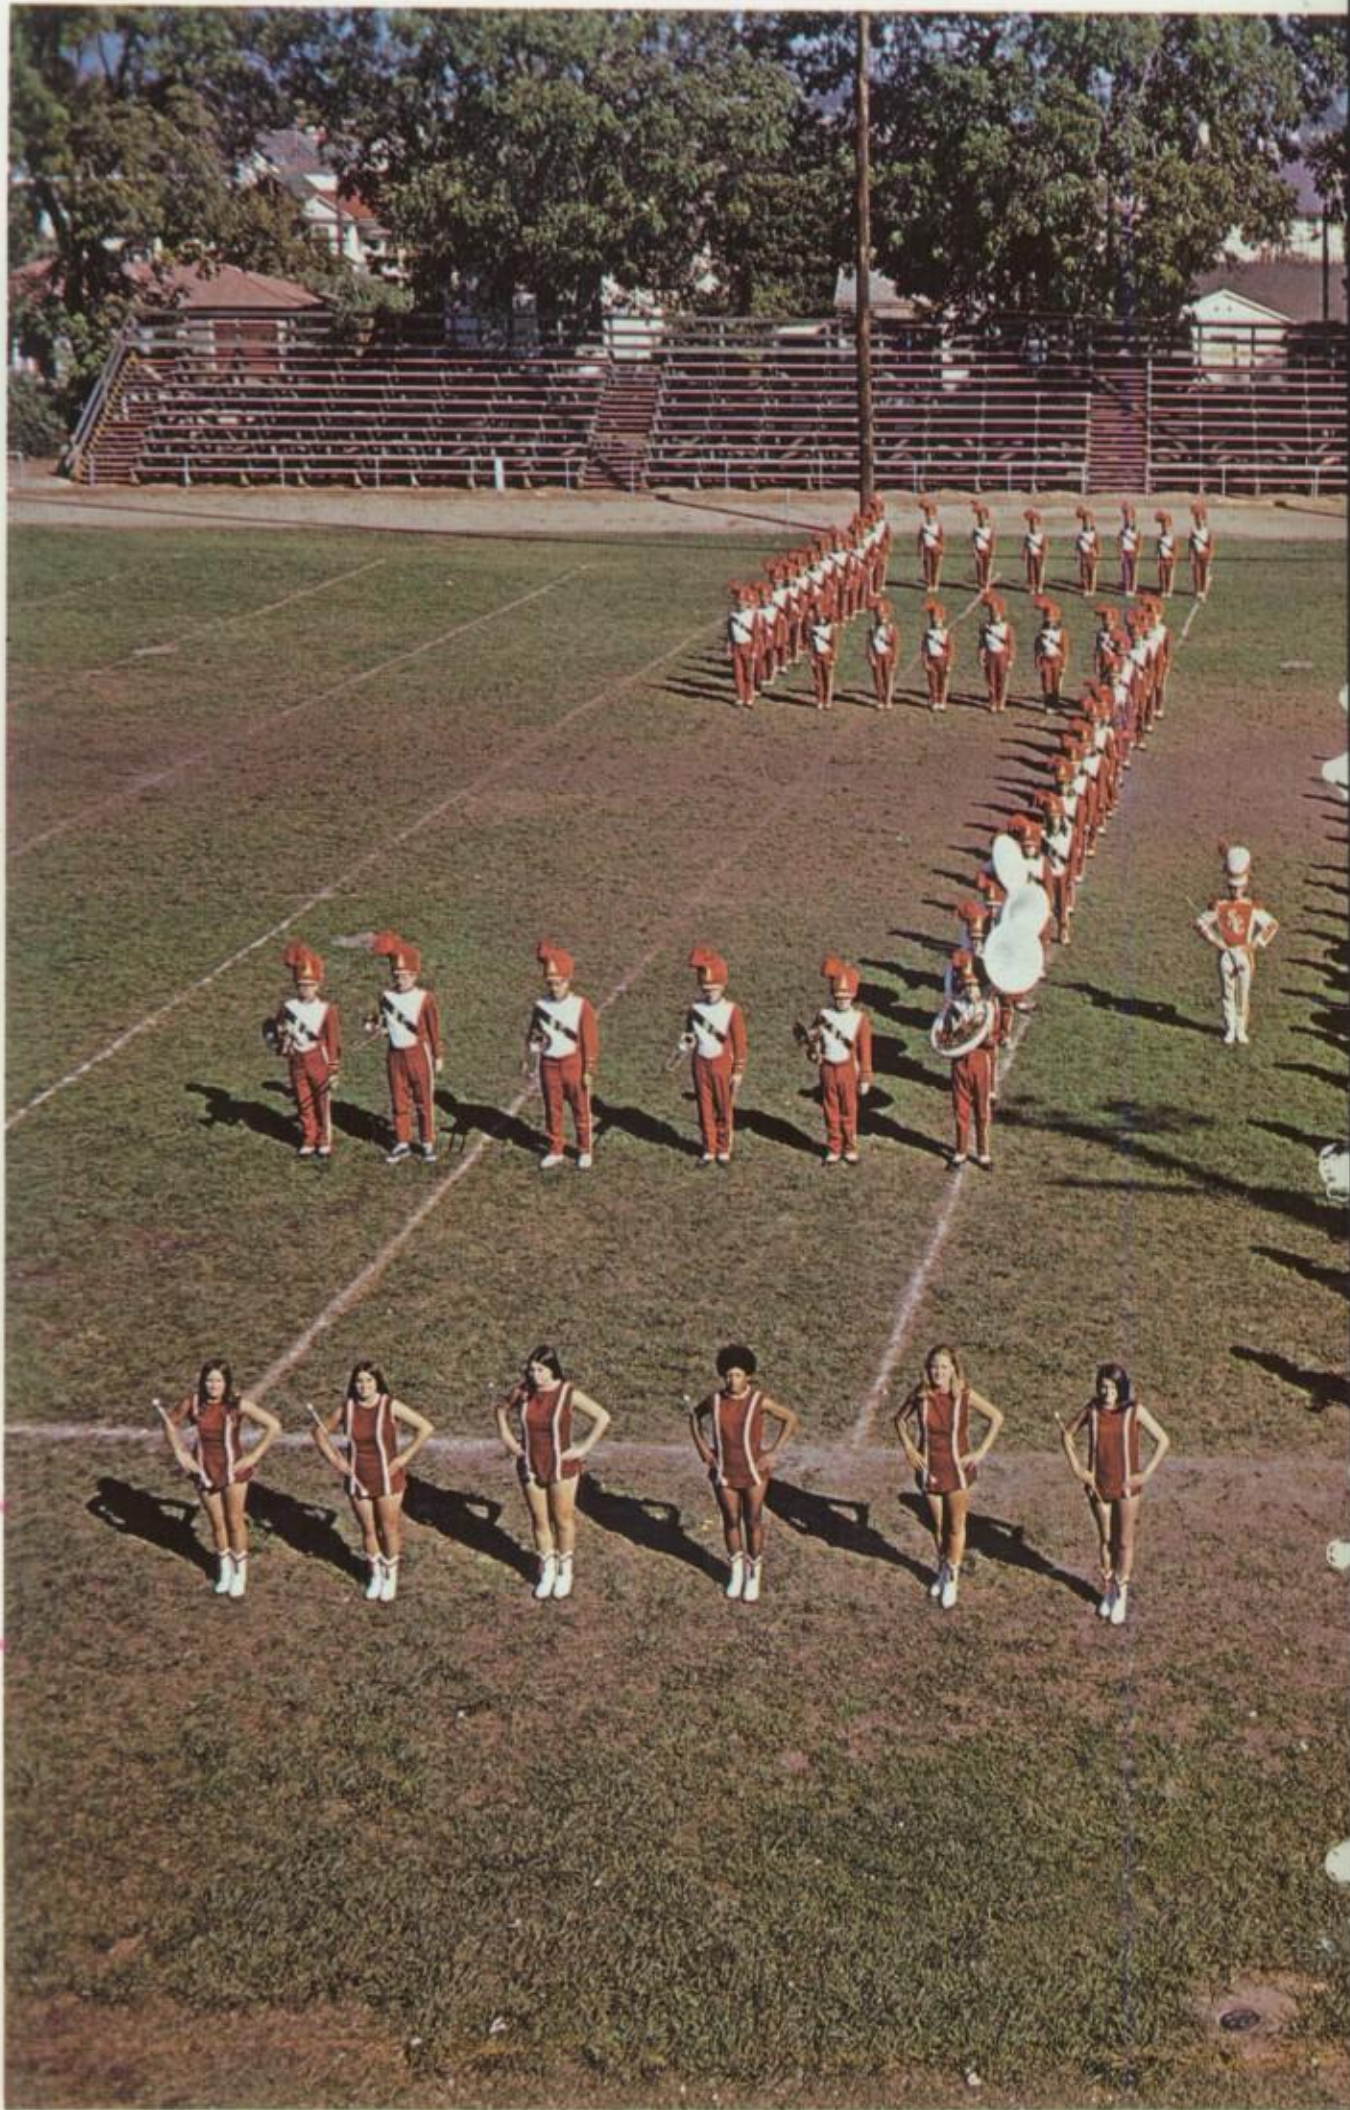

*Soon we shall be
spread into all walks
of life*

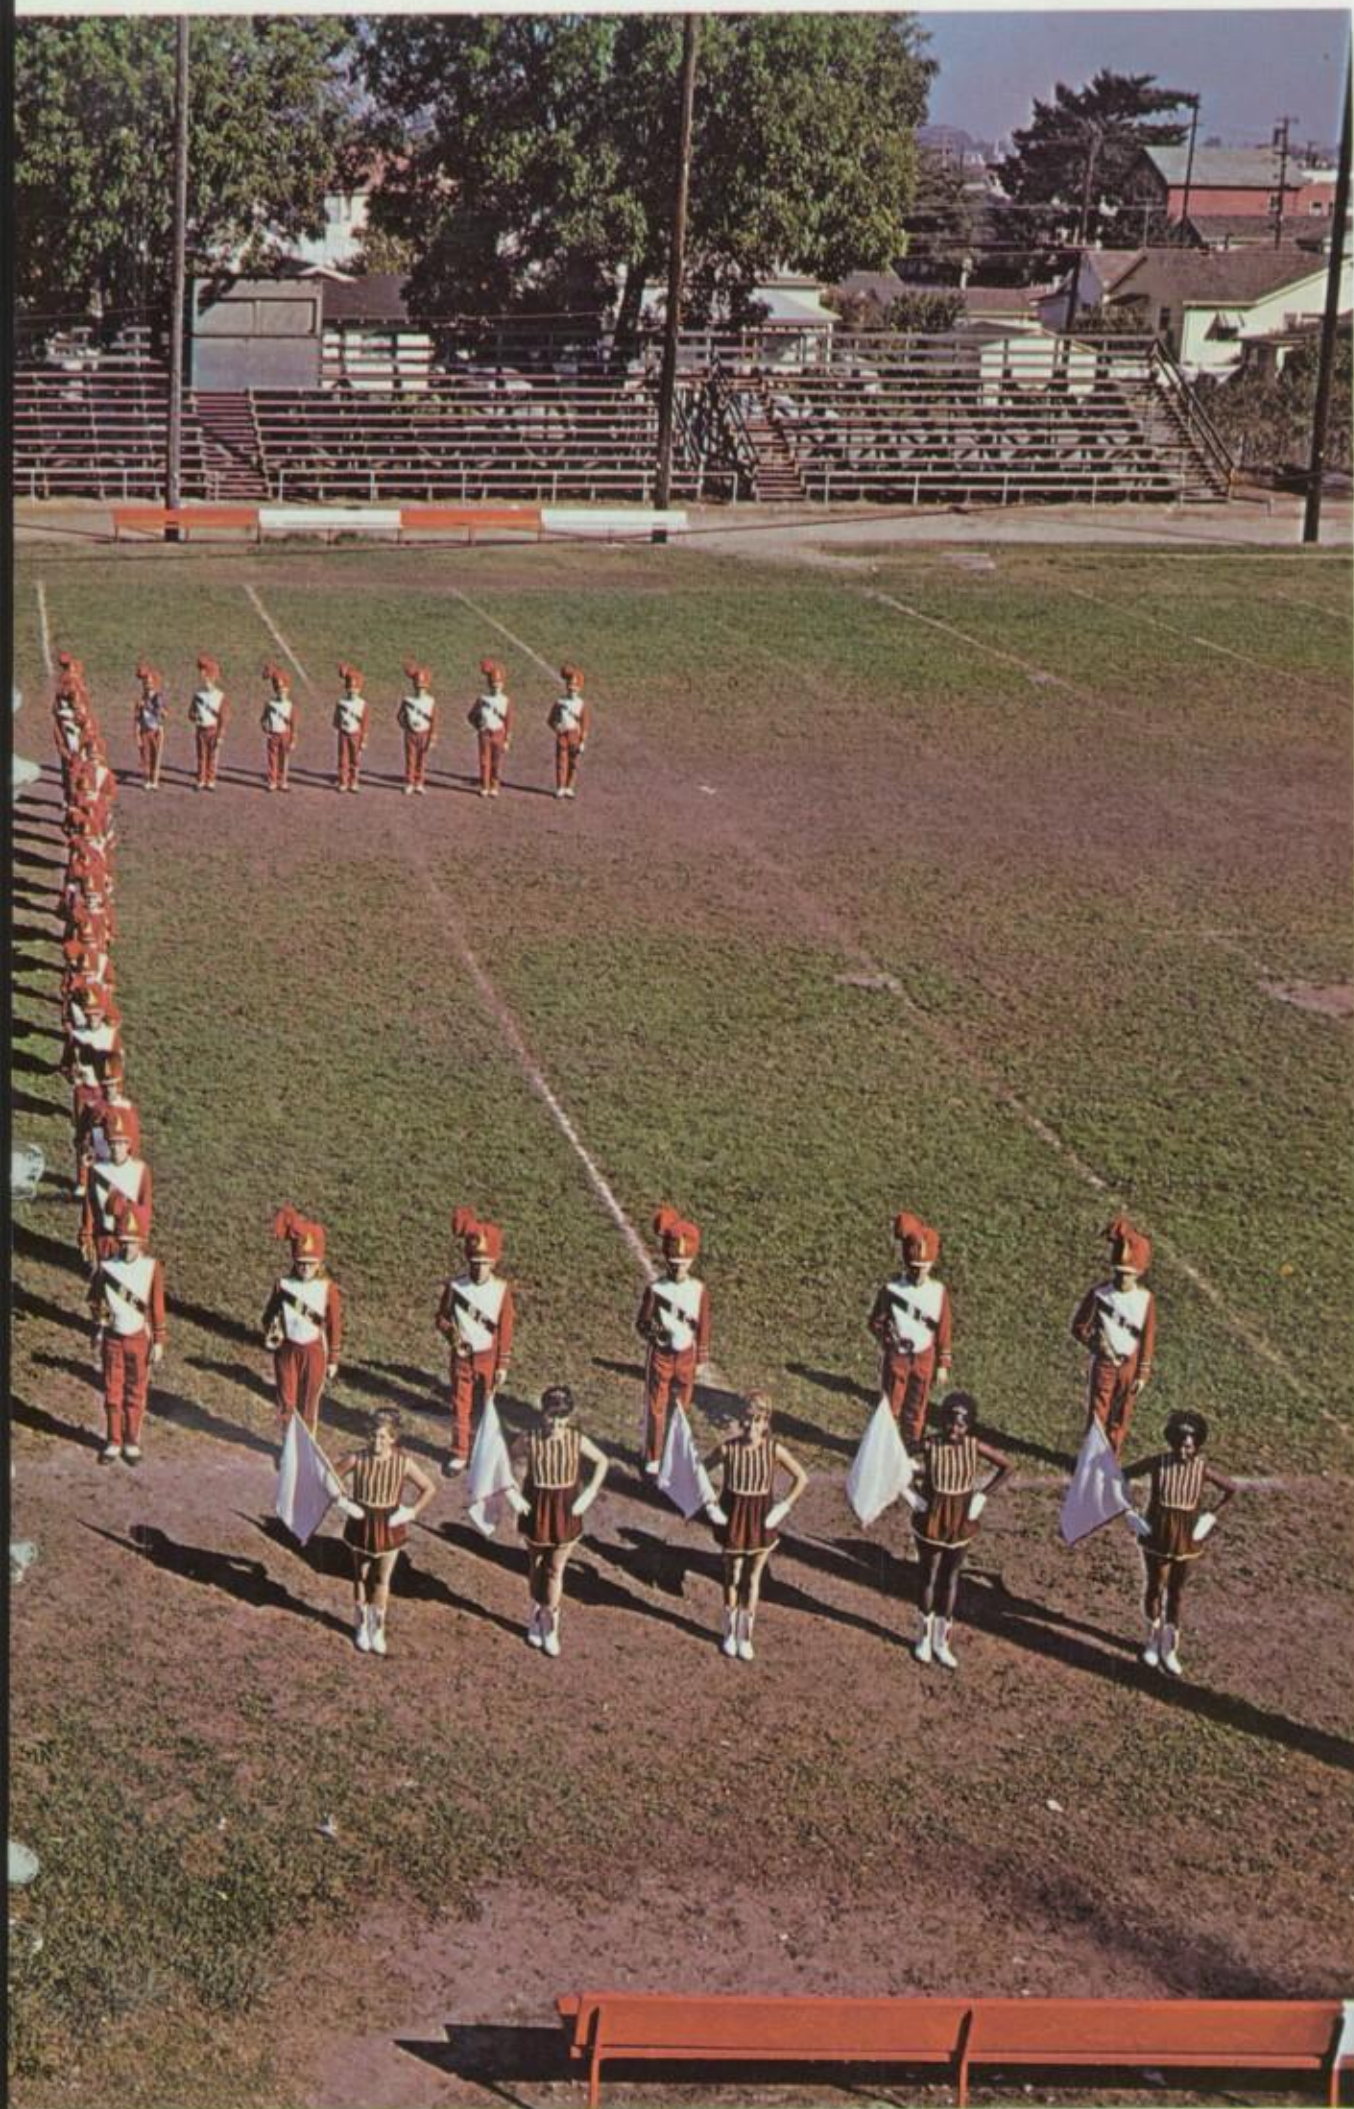

*Yet we'll always
be together in memories
of some of the best
times of our lives.*

It is hard to believe that this year has nearly come to an end. When I now look back on it, I see a year full of experiences, new things to see, and kind and friendly faces. I will always remember what I learned about America and American living while I have stayed here. My family here is now just like my own family to me and the kids here at Santa Cruz High have shown me friendship that I shall not forget. I am very grateful to the American Field Service and to the helpful people here in Santa Cruz to make this program possible.

AGAINST THE CLOCK...

TO PUT TIME

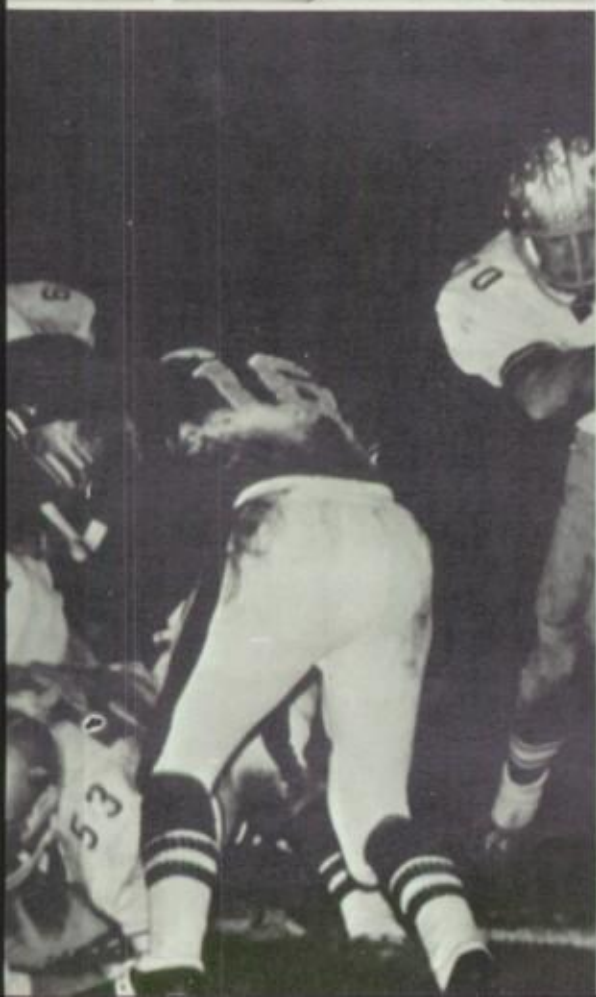

The 1969 season was a most enjoyable one to me as a coach. What we lacked in ability, was more than made up by our desire to improve. This quality of a team always makes for an enjoyable year as a coach. As I am now leaving Santa Cruz to coach on the college level, I can honestly say that the 1969 team at Santa Cruz High School ranks as the most enjoyable to work with. I sincerely hope that SCHS teams of the future will follow the example set by this team.

Sincerely
Dick Logan

FOOTBALL ENDS...

The 1969 Homecoming activities were successful due to the effort of Carol Ingols and Buck Reynolds, the homecoming co-chairmen. The queen Lani Rousseau was crowned by Captains Jerry Vellutini and Murray Fleming at a noon rally. Although the game was lost, everyone managed to have a good time at an after game party.

Varsity Basketball

This year's varsity basketball team had a successful season. They worked very hard and they pulled together as a team. Ben Krupp was voted by the league coaches as one of the top 20 players in the MBL. Ben led the team in scoring. Dave Martini was the team leader in two important phases of the game rebounding and passing off. Three seniors ended their cardinal careers: Ben Krupp, team captain Alan Paul; and Dennis McCarthy.

Lightweight basketball

This year's lightweight basketball team although composed entirely of freshmen and sophomores ended the season in fine fashion winning seven of the last eight games and compiling a 17 win, six loss season record. The Cardlets were one game behind first place Watsonville when an eligibility ruling forced them to forfeit several games and knocked them out of contention for the championship. Kevin O'Connell was named to a forward position on the all league team while guard Tom Lusby was given honorable mention status. Glen Reid, Pete Corneliussen, Mike Ferrin, Robbie George, Harry Kypreos, and Waland Childs also contributed heavily to the successful season and along with several rapidly-improving freshmen should make for a fine nucleus for next year's team.

Wrestling 1970

This year's varsity squad won eight matches and lost only four, with one tie contest. Our junior varsity team had nine wins and four losses. Forty boys participated in the program this year, and only three of them were seniors. Prospects for the future look very good.

The year was highlighted by excellent performances from Bill Scott and Craig Deane. At press time, both had qualified through league, area, and section tourneys for a berth in the Northern California finals.

The Girls' Glee is a group of girls, who enjoy expressing their talent through singing. They perform for the students as well as other organizations.

Honor choir: The chosen few

The Honor Choir is a group of gifted singers; the elite of the Acapella Choir, chosen by Mr. Walters.

Drama Club acts it up.

The members of the Drama Club perform plays for the public entertainment and during class they do skits and scenes. They are instructed by Mrs. Pepper.

The honorable girls of the Girls' Honor.

The girls' Honor Society was originated to aid those girls who are active in school activities and have good grades, to achieve scholarships. The girls also plan various activities throughout the year.

Ski Club hits the slopes.

The Ski club is for those who like to ski and for those who want to learn to ski. They organize weekend coed trips to the snow. They take about three trips a year and they sure have a lot of cold clean fun.

Teacher Federation: The apple

polishers.

These students receive practical experience by teaching at local elementary schools or at the high school aiding the teachers during class. Those who aid at the elementary schools work either inside the classroom or outside during recess, supervising the various games and activities.

Girls' athletic supporters

GAA was formed to create an interest in Physical Education and good sportsmanship. Its members participate in after school sports, and outside sport activities. They sponsor the Snow Follies, an annual formal dance, and a picnic at the end of the year for all GAA members.

A.F.S. promotes good foreign relations

The American Field Service, (A.F.S.), is an organization that earns money to send students abroad for an education. They sponsor activities such as dances and an annual powder puff football game to obtain the money needed.

The main purpose of this club is to raise money for a fantastic trip to Germany. In preparation they will call on advisors for aid.

Work Experience members spend time at their jobs

Work Experience is for students who want a transition between school and the world of work. It gives the students a chance to prove that they have the responsibility it takes and keep a good job. Mr. Faitos the advisor also helps those students interested in finding a job.

A'Cappella

The sportsmen of the Warders club

The Warders are the men of the wild. They spend their extra hours hunting all types of game.

The A'Cappella Choir is a distinguished group of students who add song to school and public programs. They perform many times throughout the year for many different types of activities.

*Chess club
concentrates
on winning*

The boys of the Chess Club use their extra time by applying their brains to an activity which takes much time and patience.

*club keeps
the times*

The active members of Mrs. Duffield's Mass Media classes work together to make movies such as the "Faculty Follies" for student and public entertainment.

The stacked leaders

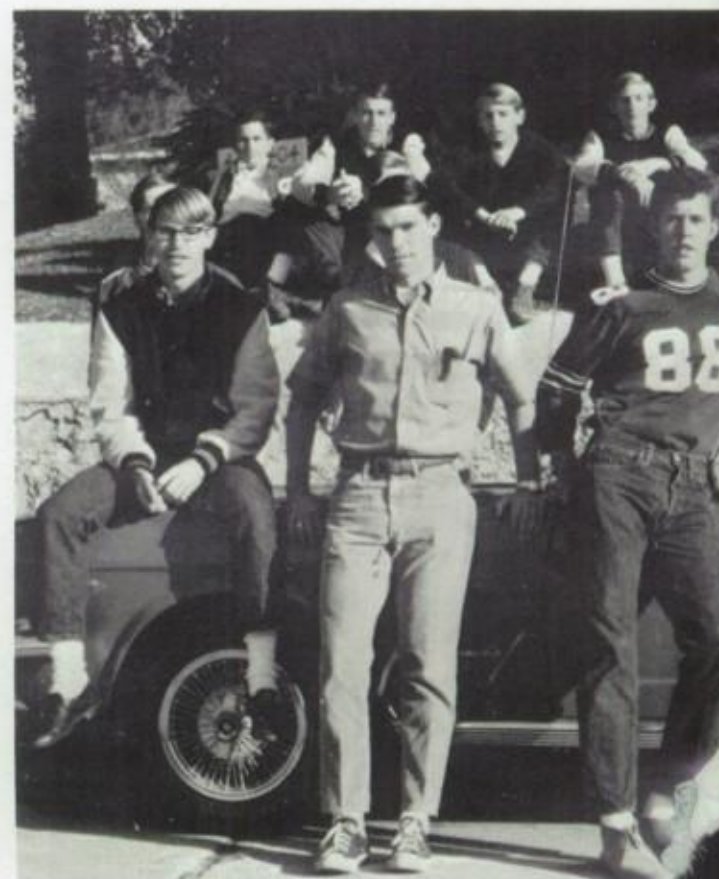

The Leader's club is comprised of those members of GAA chosen by the gym teachers to act as teachers aids during the P.E. classes. There are two leaders to every P.E. class.

The men of

Lettermen are comprised of boys who take an active interest in sports of all kinds. They receive awards for their participation in these sports.

the mob

The California Scholarship Federation (A.F.S.) aids students in obtaining scholarships. Its members are supervised by Mrs. Devore. They take part in many activities such as a field trip to a college campus.

The Hi Tow Tong is a boys' organization. They act as escorts for Homecoming and Memorial Day activities. They are basically chosen for their academic achievements.

Pep band adds life to rallies

The Pep band uses much of its spare time adding music and spirited life to the cheering sections at all games and rallies. They also travel to the out of town games and spread some of that good ole spirit in other towns.
